"STILL ANOTHER JAZZ SHOW" Hosted by Dick Crockett

Dick Crockett hosts this eclectic post modern jazz show featuring new releases of jazz artists from the new modern and the remastered works of past great ones. It could be the various Miles interludes, hard and free John Coltrane, or iconic Monk, European masters Tomasz Stanko, Michel Petrucciani, the new modern Pat Metheny, Joshua Redmond, Brad Mehldau and it could be those NoCal roots of Joe Gilman, Larry Vuckovich and Bill Mays. And let's hear it for the new modern, E.S.T., Bad Plus and Charlie Hunter. It's all here and more as Mr. Crockett, a.k.a. bopndick draws upon his past, the early days of FM rock and jazz in sixties Detroit radio. It's all about The All Night Jazz Show radio and the hosts who'd play that vinyl records.
