## Access Sacramento

Dear Prospective Board Member,

The following quotation is from our small publication entitled, The Case for the Programs and Services of Access Sacramento.

The Sacramento Community Cable Foundation, best known as “Access Sacramento” for its radio and television cablecasting, is a nonprofit public service organization dedicated to giving voice to thoughts, dreams, opinions and community events not otherwise seen or heard on commercial and public radio, television, and other popular forms of media. We operate two cable television channels and two cable radio stations, provide extensive training in the areas of new media, operate a major interactive community service bulletin board, the Official Sacramento Homepage (<http://www.sacramento.org>) and an innovative community based multimedia resource and training program.

If this type of community service is of interest, you are encouraged to complete the short packet of candidate information for our Board of Directors. This packet is kept on file and referred to as the need arises for new members.

Please complete the
