Access Sacramento Board of Director's Open Management Principles

The Board of Directors values our relationships with our member volunteers and the general public. Therefore, we adhere to the following principles in our policy decisions, business dealings, and public reporting.

Purpose of Openness Principles - The Board of Directors of Access Sacramento, a 501(c)3 membership organization, strives to be open and transparent to our members and the general public. Access Sacramento believes in transparency and accountability to its constituents and the public by providing information on governance structure, governance policies and our financial condition as reflected in audited financial statements and regular reports documenting our major programs and initiatives.

Policy Decision Making Process – The fifteen member Board of Directors serves as unpaid volunteers elected by a vote of our membership. The Board meets monthly at the Access Sacramento offices. The meeting date, time, and agenda are announced to the public at least 72 hours in advance on the web site - www.AccessSacramento.org. The public is invited to attend board meetings and time is identified on the agenda inviting public comments. The proceedings of these meetings are maintained and available in the business office during business hours. The published agenda identifies action items for board discussion and decision as permitted in the by-laws of Access Sacramento as a non-profit corporation.

Budget Approval and Review Process - The Access Sacramento annual budget and programming plan is drafted, reviewed, and approved by the Board. The documents are then reviewed and approved by the Sacramento Metropolitan Cable Television Commission. The Cable Commission is a joint powers authority of local incorporated cities and the County of Sacramento. Annual fiscal reviews are conducted by a certified public account and regular financial and programming reports are submitted to the Cable Commission. Access Sacramento posts an annual report on its website.

The Board and the Executive Director - Access Sacramento Board of Directors delegates to the Executive Director the authority to manage the staff, maintain the website and supervise day-to-day activities in accordance with these principles. The Board also expects the Executive Director to inform our membership and the general public of Access Sacramento's major activities and programs.

Questions or comments may be directed to the Board Chair and/or Executive Director at: 4623 T. Street, Suite A, Sacramento, 95819-4700 (916) 456-8600 at extension 100 or postmaster@AccessSacramento.org
