

Parent or Guardian Agreement

I, the parent or guardian of the minor noted below, take these following responsibilities with regards to this child's actions while being an Access Sacramento member:

1. I will make sure that my child understands that they should adhere to a dress code in the Access Sac television studio for their safety, that includes closed toe shoes, covered shoulders, torso and legs (no bathing suits, midriffs, shorts or sandals allowed).
2. I will make sure that my child understands not to leave the Coloma Community Center campus while engaged in an Access Sacramento class, workshop or assignment.
3. I understand that my child may be working not just in the studios directly, but also in the other offices that constitute Access Sacramento at the Coloma Center, along with the possibly of working on the exterior grounds of the campus. This is especially true if the child is taking the mobile TV studio and field shooting courses.
4. I understand that if offered to participate in an off-campus shoot that the Access Sac Executive Director or Operations Director will notify me of this offer and give me logistic specifics about the field shoot so I can make a judgement as to whether to approve this activity for my child.
5. I will make sure that my child understands that they need to listen to and follow the instructor's directions.
6. Most importantly, I will make sure that my child understands that if they break equipment because of negligence or disregard to the instructor's directions, that I, as their parent or guardian, am legally responsible for and will be invoiced for the replacement value of that equipment.
