NOTES TO FINANCIAL STATEMENTS JUNE 30, 1997

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Sacramento Community Cable Foundation dba Access Sacramento (the Foundation) is a publicly supported organization, incorporated in 1984. The Foundation's objective is to support, manage, produce and distribute noncommercial, community-based media programs in the Sacramento area.

Basis of Accounting

The accounts of the Foundation are maintained on the basis of cash receipts and disbursements; however, the accompanying financial statements have been adjusted to reflect the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. According, actual results could differ from those estimates.

Income Taxes

The Foundation is exempt from income taxes under the provisions of the Internal Revenue Code Section 501(c)(3), and franchise taxes under the provisions of the California Revenue and Taxation Code Section 23701d except as they may be levied under unrelated business income.

Furniture and Equipment

Furniture and equipment purchased by the Foundation are recorded at cost. The Foundation uses the straight-line method in computing depreciation over the estimated useful lives of the assets.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 1997

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial Statement Presentation

As of December 31, 1996, the Foundation adopted Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Foundation is required to present a statement of cash flows. As permitted by this accounting standard, the Foundation has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required. This reclassification had no effect on the change in net assets for year ended June 30, 1997. There were no permanently or temporarily restricted net assets at June 30, 1997.

Contributions

The Foundation also adopted SFAS No. 116, Accounting for Contributions Received and Contributions Made, effective January 1, 1996. In accordance with SFAS No. 116, contributions to be received in the future are to be recorded at their present value. As permitted by SFAS No. 116, the Foundation has applied the provisions of this new statement by reflecting the cumulative effect of the change, amounting to \$37,081, in the statement of change in net assets (Note 2). The adjustment represents donor promises of unrestricted contributions previously unreported.

Contributed Equipment and Facilities

The Los Rios Community College District has agreed to provide the Foundation use of its facilities and equipment at Cosumnes River College (CRC) for 27 hours per week. The Foundation has estimated the value of using the facilities and equipment of CRC to be \$85,000. This amount has been recognized as in-kind contribution and an unconditional promise to give (Note 2) for the year ended June 30, 1997. As part of the agreement, the Foundation is required to place \$87,500 of equipment at the CRC facilities. The equipment will also be used by the Foundation. In addition, the Foundation must provide up to \$40,000 of employee time for supervision of the Foundation's operations at CRC. Upon completion of the agreement, title to the equipment placed by the Foundation transfers to CRC.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributed Equipment and Facilities (continued)

The Sacramento County Office of Education (the County) has agreed to provide the Foundation with the usage of equipment under the Regional Occupation Program (ROP). The term is for 3 years beginning July 1, 1996, and the Foundation has estimated the total value of the equipment usage to be \$24,000. Under SFAS No. 116, the Foundation has recognized the total \$24,000 value as in-kind contribution and an unconditional promise to give for the year ended June 30, 1997. The usage of the equipment is being recognized by reducing the unconditional promise to give and recording a corresponding expense for \$8,000 in each of the 3 years (Note 2). The agreement requires that the Foundation allow the use of its facilities and equipment for the ROP.

The City of Sacramento (the City) and MacNexus has agreed to provide the Foundation with the use of a Media Lab located at the Coloma Community Center. The agreement is month to month and the Foundation has estimated the value of the Media Lab usage to be \$24,700 per year. The Foundation started to use the Lab in January 1997 and has recorded an in-kind donation and related expense of \$12,350 for the year ended June 30, 1997 (Note 2).

Contribution - Reimbursement for Services

The Sacramento County Office of Education (the County) has agreed to reimburse the Foundation \$56,466 for service provided under the Net at 2 Rivers Program. The term of the agreement is from October 15, 1995 through December 31, 1997. The Foundation has recognized a prior period adjustment for the balance owed under this agreement at June 30, 1996 (Note 2).
